Coronavirus (COVID19) Preparedness Guide

April 13, 2020

National Health Resources

Centers for Disease Control and Prevention (CDC)

The Centers for Disease Control and Prevention (CDC) is closely monitoring developments around the COVID-19 coronavirus first identified in Wuhan, Hubei Province, China. To learn about the coronavirus, how they spread, symptoms, diagnosis, treatment, and prevention visit the [CDC website](https://www.cdc.gov) for more information.

- To learn about guidance for travelers, please visit the CDC [Guidance for Travelers](https://www.cdc.gov/travel/coronavirus) section for more information.
- For travelers from China arriving in the US, please visit the [CDC recommendations](https://www.cdc.gov/travel/coronavirus/). For travelers from China arriving in the US, please visit the CDC [recommendations](https://www.cdc.gov/travel/coronavirus/) page.
- For warnings and recommendations issued by the CDC on reducing the risk of contracting coronavirus, visit the [Traveler View](https://www.cdc.gov/travel/coronavirus/) page.
- For what to do if you are sick, please access the [CDC Coronavirus Guide](https://www.cdc.gov/coronavirus/2019-ncov/index.html).
- For the myth buster page regarding the false information circulating about the virus, visit the [myth buster section](https://www.cdc.gov/mythsaboutcoronavirus/).
- For a map of public health laboratory **testing** for COVID-19, please visit the CDC’s [testing in U.S. site](https://www.cdc.gov/coronavirus/2019-ncov/lab/testing-laboratories.html). This map includes states and territories with one or more laboratories that have successfully verified and are currently using COVID-19 diagnostic tests. Many towns and communities have opened drive through testing sites over the past week. For information on testing sites in your community, please visit your town’s website or contact your [State Health Department](https://www.cdc.gov/coronavirus/2019-ncov/prepare/testing-laboratories.html) regarding questions about testing in your community.
- For interim guidance for businesses and employers, visit this [page](https://www.cdc.gov/coronavirus/2019-ncov/prepare/businesses-employers.html).
- The CDC now recommends face masks for public outings. For information on how to create your own mask, visit this [page](https://www.cdc.gov/coronavirus/2019-ncov/prepare/masks.html).
- The CDC has created a guide on how to disinfect your home which you can access [here](https://www.cdc.gov/coronavirus/2019-ncov/prepare/clean-and-sanitize.html).
**World Health Organization (WHO)**

WHO works worldwide to promote health and helps prevent emergencies by identifying risks and developing tools needed during outbreaks. WHO published a range of interim guidance for all countries on how they can prepare for the coronavirus, including how to monitor for sick people, test samples, treat patients, control infection in health centers, maintain the right supplies, and communicate with the public about this new virus. To learn more about the coronavirus and for updates, visit the WHO website for more information.

- To view commonly asked questions and answers about the coronavirus, visit the Q&A Page for more information.
- For the most recent updates on Coronavirus, visit the Disease Outbreak News page.
- For travel safety tips regarding the spread of Coronavirus, please visit the Travel Advice page.

**U.S. Department of State**

For information on current travel advisories for domestic and international travel, travel advisory levels and assistance for U.S. citizens, please visit the Department of State website here.

**Unemployment Services**

The spread of COVID-19 has led to the closure of businesses in a variety of industries & sectors throughout the United States. Each state has its own guidelines and resources to ensure that you receive unemployment and/or disability benefits. Posted below are the primary resources to consult when faced with unanticipated layoffs.

**USA.gov**

This federal website connects workers to information including: applying for unemployment, short & long term disability, the continuation of health coverage, and workers’ compensation claims.

The federal government has permitted states to alter their unemployment regulations in response to COVID-19. To learn about the recent passing of the CARES Act (the COVID-19 economic stimulus package) and how it will expand benefits to American workers, please click here.
Crisis & Disaster Resources

Included in the CARES Act:

- Help for small businesses
- Federal student loan relief/extended grace periods
- Stimulus checks for workers and their dependents
- Extended unemployment benefits

Center on Budget & Policy Priorities

The CBP alerts the public to major changes in budgetary policies. To view a lucid explanation of the CARES Act and Pandemic Unemployment Assistance measures, please visit this link.

U.S. Department Labor – Unemployment – Career One Stop Centers

For information regarding unemployment due to the Covid-19 outbreak and to see if you are eligible for unemployment benefits, please contact your local One Stop Career Center. You may find your local Career Center here. Career OneStop operates as a national job and employment service center for workers across the United States. Career OneStop centers are available throughout the country and connect workers to information regarding unemployment, job training, resume reviews, and a host of other employment-related services.

Please note, the federal government is allowing new options for states to amend their laws to provide unemployment insurance benefits related to COVID-19. For more information on unemployment eligibility, please visit here
